

IMPORTANCE OF PETIQUETTE

We will teach you how to set
a positive pack leader bond
through petiquette.

What is petiquette?

It's simple! We will teach you
how to successfully train your
dog on basic every day
manners that will also
simultaneously reinforce a
pack mentality, building a life
long bond.

PUPPY MATCHING

Are you looking for your next
puppy or dog? I will help match
you with your perfect pup. I
take in to account your lifestyle,
activity level, and what your
goals will be for your new pup.

These classes are to help with specific unwanted behaviors like separation anxiety, nipping, barking, digging, stealing food, pulling on the leash, jumping up on people, failing to coming when called, and many others.

At Simply Manners Dog Training we know that your pup is not only your dog but also one of the most important parts of your life. We want to help you build a life long bond while also coaching you on how to teach your pet manners and how to best behave on a daily basis.

We go over not only basic and advanced training in our classes, but we also teach you about canine care, nutrition, and how best to build a trusting relationship.

I use positive reinforcement training with a clicker or other marker like the word “YES”. I have been training dogs for the past ten plus years and have found that positive reinforcement training provides not only the best results but also helps reinforce your bond with your pup.
